***Response to Amendment***

The examiner acknowledges amended claims 1,10,19 and 20.

***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance:

Regarding claims 1,10,19 and 20, the prior arts fail to teach or fairly suggest said at least one slave or tag receiving said command and providing information representative of bits of said unique binary identification number to said master or device in a bit-by-bit manner, said slave or tag continuing transmission of said information only during receipt of acknowledgments of each bit from said master or device.

Claims 2-9 and 11-18 are either directly / or indirectly dependent on claims 1,10,19 and 20, therefore, the prior arts fail to teach or fairly suggest claims 2-9 and 11-18 for same reason that the prior arts fail to teach or fairly suggest claims 1,10,19 and 20.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
